**This easy-to-use, inexpensive item is a great product for storing and dispensing your rolls of postage stamps.**

The Post Office provides rolls of stamps with a simple paper band securing them – once the band’s seal is broken, the stamps unroll and are difficult to manage. Our dispenser is the best on the market for storing & managing a roll of stamps!

- Easy to load and dispense postage stamps on a roll
- Actually see the number of stamps remaining
- Lowest cost stamp dispenser on the market
- Excellent up-sell when customers request stamps
- Delivered on hanger card for hook display or keep in box for over-the-counter sales
- Unique hanger card mimics showing stamps in the dispenser
- Patented & Made in the USA
